

Item 10:
Review of 19 TAC Chapter 231, Assignment
of Public School Personnel

DISCUSSION ONLY

SUMMARY: Texas Government Code, §2001.039, establishes a four-year rule review cycle for all state agency rules, including State Board for Educator Certification (SBEC) rules. This item presents the review of 19 TAC Chapter 231, Assignment of Public School Personnel. The rule being reviewed provides guidance to school districts with regard to the certificates required for specific assignments of public school educators.

STATUTORY AUTHORITY: Statutory authority for the rule review is Texas Government Code, §2001.039. The statutory authority for 19 TAC Chapter 231 is the Texas Education Code (TEC), §21.031(a) and §21.041(b)(1) and (2).

BOARD RESPONSE: This item is presented for review and comment.

PREVIOUS BOARD ACTION: Section 231.1 was adopted to be effective June 21, 2009, and amended to be effective August 19, 2010.

FUTURE ACTION EXPECTED: The review of 19 TAC Chapter 231, Assignment of Public School Personnel, is scheduled to be presented to the SBEC for adoption at the February 2012 meeting. Any rule changes resulting from the rule review process will be presented to the SBEC for consideration at a later date.

BACKGROUND INFORMATION AND SIGNIFICANT ISSUES: The SBEC rule in 19 TAC Chapter 231 specifies the criteria for assignment of public school personnel and includes a figure that shows a list of assignments with corresponding certificates for each assignment.

Section 231.1, Criteria for Assignment of Public School Personnel, is shown in Attachment II.

ANTICIPATED REVISIONS TO RULES: It is anticipated that Texas Education Agency (TEA) staff will present changes to 19 TAC §231.1 for discussion and action at a future meeting to incorporate any changes resulting from the rule review process. It is anticipated that other changes will also be recommended to update the figure in §231.1(e) to reflect criteria for assignment of public school personnel, including assignments with corresponding certificates as a result of revisions to the TEKS and course offerings. The TEA staff anticipate conducting a stakeholder meeting prior to presenting changes to the SBEC.

RULE REVIEW: The SBEC plans to file the notice of proposed review of 19 TAC Chapter 231, Criteria for Assignment of Public School Personnel, with the *Texas Register* following the October 2011 SBEC meeting. The SBEC will accept comments as to whether reasons for adopting 19 TAC Chapter 231 continue to exist. The official comment period will begin with the publication of the proposed review of 19 TAC Chapter 231 in the *Texas Register*.

The filing of the notice of proposed review soliciting comments as to whether the reasons for adoption continue to exist would not preclude any amendments that may be proposed at different dates through a separate rulemaking process.

FISCAL IMPACT: None.

PUBLIC AND STUDENT BENEFIT: The review of 19 TAC Chapter 231 will result in the continuation of requirements relating to the assignment of public school personnel in Texas public schools.

PROCEDURAL AND REPORTING IMPLICATIONS: None.

LOCALLY MAINTAINED PAPERWORK REQUIREMENTS: None.

PUBLIC COMMENTS: None.

ALTERNATIVES: None.

OTHER COMMENTS AND RELATED ISSUES: None.

Respectfully submitted,

Ann Smisko, Ph.D.
Associate Commissioner
Educator Leadership and Quality

Staff Member Responsible: Janice Lopez, Ph.D., Director

ATTACHMENT I**Statutory Citations Relating to Review of 19 TAC Chapter 231, Assignment of Public School Personnel****Rule Review****Texas Government Code, §2001.039, Agency Review of Existing Rules:**

- (a) A state agency shall review and consider for readoption each of its rules in accordance with this section.
- (b) A state agency shall review a rule not later than the fourth anniversary of the date on which the rule takes effect and every four years after that date. The adoption of an amendment to an existing rule does not affect the dates on which the rule must be reviewed except that the effective date of an amendment is considered to be the effective date of the rule if the agency formally conducts a review of the rule in accordance with this section as part of the process of adopting the amendment.
- (c) The state agency shall readopt, readopt with amendments, or repeal a rule as the result of reviewing the rule under this section.
- (d) The procedures of this subchapter relating to the original adoption of a rule apply to the review of a rule and to the resulting repeal, readoption, or readoption with amendments of the rule, except as provided by this subsection. Publishing the Texas Administrative Code citation to a rule under review satisfies the requirements of this subchapter relating to publishing the text of the rule unless the agency readopts the rule with amendments as a result of the review.
- (e) A state agency's review of a rule must include an assessment of whether the reasons for initially adopting the rule continue to exist.

19 TAC Chapter 231, Assignment of Public School Personnel**Texas Education Code, §21.031, Purpose (excerpt):**

- (a) The State Board for Educator Certification is established to recognize public school educators as professionals and to grant educators the authority to govern the standards of their profession. The board shall regulate and oversee all aspects of the certification, continuing education, and standards of conduct of public school educators.

Texas Education Code, §21.041, Rules; Fees (excerpts):

- (b) The board shall propose rules that:
 - (1) provide for the regulation of educators and the general administration of this subchapter in a manner consistent with this subchapter;
 - (2) specify the classes of educator certificates to be issued, including emergency certificates;

Chapter 231. Assignment of Public School Personnel

§231.1. Criteria for Assignment of Public School Personnel.

- (a) The assignment requirements in this chapter apply to the holders of certificates issued on the basis of 1955, 1972, 1984, and 1987 Standards for Teacher Education as well as certificates issued on the basis of standards aligned with the Texas Essential Knowledge and Skills (TEKS) curriculum, adopted by the State Board of Education, as specified in Chapter 233 of this title (relating to Categories of Classroom Teaching Certificates).
- (b) An elementary certificate may be appropriate for teaching high school students if the level of instruction is comparable to that in elementary grades. When such an assignment is made, course outlines must be maintained in the school district files.
- (c) Professional personnel employed in federally funded programs and innovative programs must have the qualifications and meet the assignment requirements specified in subsection (e) of this section and in other rules of the State Board for Educator Certification (SBEC).
- (d) The assignment requirements in this chapter apply to substitute teachers. If a school district must employ a substitute teacher who is not certified, a list of the substitute teachers shall be retained in the school district files.
- (e) A public school employee must have the appropriate credentials for his or her current assignment specified in the figure provided in this subsection and in other rules of the SBEC, unless the appropriate permit has been issued under Chapter 230, Subchapter Q, of this title (relating to Permits).

NOTES:

1. The district is responsible for seeing that teachers have the appropriate technology applications knowledge and skills, as defined in the SBEC-approved Educator Standards for Technology Applications, to teach the course(s) to which they are assigned.

2. Individuals assigned to teach one or more of the six technology applications courses prior to the 2003-2004 school year based on meeting the above criteria shall remain eligible to teach the courses to which they have been previously assigned. The employing school district is responsible for ensuring that these technology applications teachers stay current through annual continuing education and professional development tied directly to the specific Technology Applications Texas Essential Knowledge and Skills (TEKS) in Chapter 126 of this title for the course(s) taught. The school district must maintain documentation of this continuing education and professional development in the personnel files of the teachers.

3. Initial assignments to teach the six technology applications courses beginning with the 2003-2004 school year require the Technology Applications Certificate.
