Health Science Course Crosswalk				Future Possibilities
1997	**2010**	**4 x 4**	**ATC**	**End of Program Licensure/Certification**
Introduction to Health Science Technology	Principles of Health Science			
Health Science Technology I				
Health Science Technology II	Health Science		x	
Health Science Technology III	Practicum in Health Science		x	Certified Coding Associate (CCA)
				Certified Medical Assistant (CMA)
				Certified Nurse Aide
				Dental Assistant (CDA)
				Dental Radiographer (RHS)
				Emergency Care Attendant
				Emergency Medical Dispatcher
				Emergency Medical Technician-Basic
				Licensed Vocational Nurse (LVN)
				Pharmacy Technician (CPhT)
				Phlebotomy Technician
				Sterile Processing and Distribution Technician
Medical Terminology	Medical Terminology		x	
	World Health Research			
Health Science Independent Study	Problems and Solutions			
Clinical Nutrition	Embedded in Lifetime Nutrition and Wellness (Human Services)			
Mental Health	Embedded in Counseling and Mental Health (Human Services)		x	
Science Credit				
Medical Microbiology	Medical Microbiology	x		
Pathophysiology	Pathophysiology	x		
Anatomy and Physiology of Human Systems	Anatomy and Physiology	x		
Scientific Research and Design	Scientific Research and Design-(STEM)	x		
Innovative Course				
Medical Biotechnology II	Stays innovative			
	Principles of Biomedical Science (PLTW)			
	Human Body Systems (PLTW)			
Move to Innovative				
Pharmacology				
Gerontology				

Draft 9/2009
